ACOUSTIFLO

FEQ and AMCA Certified Direct Drive Modular Fan Array Systems, High Efficiency, Low Operating Sound Levels with Integral Silencers.

www.acoustiflo.com

AIRWISE

AWSI manufactures up to 6,000,000 BTU in Heat and 200,000 CFM in Airflow. Custom Air Handling, Direct and Indirect Gas Heating, DX Cooling, Heat Recovery and Controls. Lightweight Aluminum Construction Available. New construction, replacement and retrofit built-to-order, and knock down kits

BANANZA

Direct Gas Fired Heating Makeup Air Units.

www.bananza.com

BIOCLIMATIC AIR SYSTEMS

Bi-polar Ionization, Chemical Media and Housings, Polarized High Efficiency Particle Filtration, UV Photocatalytic Oxidation (PCO) Systems, Modular Air Purification AHU, Recirculation Filter Units, Kitchen Exhaust Oil and Grease Control Systems.

CONSERV

Fixed Plate Enthalpy Heat Exchanger. Modules or Complete Units.

www.conserv.com

CONCEPTS AND DESIGNS (CDI)

Packaged Desiccant Systems, Makeup Air Units, Custom AHU's, Heat Recovery Units, Direct and Indirect Fired Heating and Ventilating Units, Low Dewpoint Applications

www.cdihvac.com

DISTECH CONTROLS

Standalone or Networked Controllers Customized Specifically for the Equipment. Support of All Major Open Protocols.

www.distech-controls.com

DESICCANT ROTORS INTERNATIONAL (DRI)

Energy Recovery Wheels and Cassettes for Passive Dehumidification, Sensible and Total Energy Recovery.

www.drirotors.com

HAAKON

Custom Air Handling Units for Hospital, Clean Room, and Pharmaceutical Applications, Rotary Heat Wheel and Desiccant Wheel Dehumidification Units, Sprayed Coil Units, Welded Floors, Thermal Break and Low Leakage Casing Construction.

www.haakon.com

KLINGENBURG

Energy Recovery Wheels and Cassettes for Sensible and Total Energy Recovery. Fixed plate heat exchangers. High Temperature Energy Recovery Wheels.

www.klingenburg-usa.com

CAROLINA HEAT PIPE

Wrap Around Dehumidification Coils, Energy Recovery Coils, Passive (Non Energy Consuming) Heat Pipe Coils.

www.carolinaheatpipe.com

MULTISTACK

Dedicated Heat Recovery Chillers up to 180F (Air Cooled and Water Cooled), Modular Chillers, Medical Chillers, Air Cooled and Water Cooled Chillers, Water-to-Water Heat Pumps, Air-to-Water Heat Pumps, Air Cooled and Water Cooled MagLev Centrifugal Chillers, VFD Rotary Screw Chillers, AHRI Certification.

POOLPAK

Natatorium Environmental Dehumidification Systems.

www.poolpak.com

RAE CORPORATION

DX, Chilled Water, Steam and Hot Water Coils, Fluid Coolers, Packaged Air Cooled Condensing Units and Specialty Chillers.

www.rae-corp.com

RECTORSEAL

VRF and Conventional Refrigerant Line Set Covers, Equipment Mounting, Universal Condenser Brackets.

www.rectorseal.com

SAMSUNG HVAC

Ductless Mini Splits – up to 3 tons, DVM S Series VRF - Heat Pump or Heat Recovery, 6 thru 48 Tons, Air & Water Cooled.

www.samsunghvac.com

XETEX

Air-to-Air Plate and Frame Heat Exchangers and Heat Recovery Units, Rotary Wheel Heat Exchangers and Packaged Units.

www.xetexinc.com

ZEHNDER/RITTLING

Radiant Panel Heating & Cooling Systems, Horizontal, Ceiling & Stacked Fan Coil Units. Vertical Stacked, Self Contained 410A Water Cooled & Geothermal Heat Pumps, Hot Water Unit Heaters, Convectors and Finned Tube Radiation

www.rittling.com

AIR HANDLING UNITS:

(AAON, Air Wise, CDI, HAAKON, Bioclimatic, Xetex, Zehnder Rittling)

- Modular Central Station Air Handlers
- Custom Air Handlers
- Small Footprint / Low Profile Air Handlers
- Energy Recovery Air Handlers
- Fan Coil Units / Air Terminal Units
- Direct Drive Fan Arrays Available

AIR PURIFICATION / FILTRATION:

(Bioclimatic)

- Bipolar Ionization Filters – Tube and Needlepoint Technology
- Electronic Filters, Charcoal Filters, Gas Filtration Systems
- Ultraviolet UVC & UVB Light Systems
- Photocatalytic Oxidation

CHILLERS:

(AAON, RAE, Multistack)

- Air / Water / Evaporative Cooled Scroll Chillers
- Air / Water Cooled Screw Chillers
- Air / Water / Evaporative Cooled Magnetic Bearing Chillers
- Air / Water Cooled Centrifugal Chillers
- Packaged Outdoor Mechanical Rooms (Chillers, Boilers, & Pumps)
- Absorption Chillers
- Modular Air / Water Cooled Chillers (Scroll / Screw / Magnetic Bearing)
- Dedicated Heat Recovery Chillers
- Air to Water & Water to Water Heat Pumps
- Process & Medical Chillers

COILS & COIL COMPONENTS:

(AAON, Air Wise, Carolina Heat Pipe, RAE)

- DX, Chilled Water, Steam, & Hot Water Coils
- Fluid Coolers, Packaged Air Cooled Condensing Units
- Heat Pipe Coils for Dehumidification & Energy Recovery

DESICCANT DEHUMIDIFICATION:

(AAON, Air Wise, Concepts & Designs, HAAKON, Seibu Giken)

- Active & Passive Desiccant Units
- Low Dewpoint Applications
- Energy Recovery Wheels for Passive, Sensible, & Total Energy Recovery

Packag ed DX Equipment:

(AAON, Air Wise, Concepts & Designs, HAAKON, Xetex, Zehnder Rittling)

- 100% Outside Air Units Packaged & Split Systems
- Air / Water / Geothermal Source Heat Pumps
- Air / Water / Evaporative Cooled Package Units and Condensing Units
- Custom Air Handling Units
- Energy Recovery Equipment
- Vertical Self Contained Units
- Dehumidification Equipment
- Single Zone VAV Units with Factory Mounted Controls
- Magnetic Bearing Compressor Option in Package DX Units

SWIMMING POOL DEHUMIDIFICATION UNITS:

(AAON, PoolPak, Xetex)

- Natatorium Dehumidification Units with Pool Water Heating

VARIABLE REFRIGERANT FLOW SYSTEMS:

(SAMSUNG HVAC, Rectorseal)

- Air & Water Cooled Variable Refrigerant Flow Systems (Heat Recovery & Heat Pump)
- Duct Free Split Systems
- PTACS
- Thru the Wall Units
- Big Foot Equipment Mounting Systems, Line Set Ducting & Protection

WATER SOURCE HEAT PUMPS: (AAON)

- Horizontal and Vertical Units 1/2 to 15 Tons
- In Stock, Low Cost Units for Immediate Shipment - Ideal for Replacements
